Height: 5 feet

Spread: 5 feet

Sunlight: ○

Hardiness Zone: 6

Group/Class: Grandiflora Rose

**Description:**

This is an intensely fragrant variety producing gorgeous yellow blooms with a rich citrus scent, above the deep green, glossy foliage; perfect for cutting; excellent disease resistance

**Ornamental Features**

Radiant Perfume Rose features showy fragrant double yellow flowers at the ends of the branches from early summer to mid fall. The flowers are excellent for cutting. It has dark green deciduous foliage. The glossy oval compound leaves do not develop any appreciable fall color.

**Landscape Attributes**

Radiant Perfume Rose is a multi-stemmed deciduous shrub with an upright spreading habit of growth. Its average texture blends into the landscape, but can be balanced by one or two finer or coarser trees or shrubs for an effective composition.

This shrub will require occasional maintenance and upkeep, and is best pruned in late winter once the threat of extreme cold has passed. It is a good choice for attracting bees to your yard. It has no significant negative characteristics.

Radiant Perfume Rose is recommended for the following landscape applications;

- Accent
- Mass Planting
- Hedges/Screening
- General Garden Use

5800 S Yellowstone Hwy
Idaho Falls, ID 83402

**Planting & Growing**

Radiant Perfume Rose will grow to be about 5 feet tall at maturity, with a spread of 5 feet. It tends to fill out right to the ground and therefore doesn't necessarily require facer plants in front, and is suitable for planting under power lines. It grows at a fast rate, and under ideal conditions can be expected to live for approximately 30 years.

This shrub should only be grown in full sunlight. It does best in average to evenly moist conditions, but will not tolerate standing water. It is not particular as to soil type or pH. It is highly tolerant of urban pollution and will even thrive in inner city environments. This particular variety is an interspecific hybrid.

This plant is not reliably hardy in most areas of east Idaho. Please contact us for more information.
